MELBOURNE

## EDUCATION BOOKINGS

### FURTHER INFORMATION AND BOOKING PROCESS

Programs are led by engaging volunteers and staff.

Secure your booking as early as possible to avoid disappointment.

Book online with instant email confirmation for a maximum of three class groups, or 75 students, per session. If fewer than three class group bookings are available for a given session this means another school has already booked some or all places allotted for that time. If you need to make a large or complex booking, please contact us directly:
